

New Baltimore Downtown Development Authority (DDA)

The New Baltimore DDA is offering you the opportunity to participate in the streetscape enhancement project. Have your name or that of a loved one engraved on a 4” x 8” brick to be installed in the paving along both sides of Washington Street from Front Street to Green Street. Each brick may have three lines of up to 12 characters each (periods, commas and spaces count as individual characters). Your replacement request will be met if possible.

Permanently cast your name in stone or memorialize a loved one with a beautiful brick paver that will adorn downtown New Baltimore.

Return this form with a check of money order payable to the “DDA” in the amount of \$75 for each brick requested. You will be notified once your brick has been installed.

Mail To: DDA – Memorial Brick Paver
