Dear Residents:

By now, I am sure that you are aware of the current COVID-19 better known as the Corona Virus. The City has been keeping abreast of developments as they occur and will attempt to keep the most updated information available on our website. The State of Michigan recommends the following precautions against the Corona Virus:

- wash your hands often with soap and water or use hand sanitizer;
- avoid touching your eyes, nose, or mouth with unwashed hands;
- cover your mouth and nose with a tissue when coughing or sneezing;
- avoid handshakes;
- avoid contact with sick people who are sick; and
- stay home when you are sick.

At this time, we are not aware of any confirmed cases in the New Baltimore or Chesterfield area. It is our hope that we remain virus-free, but out of an abundance of caution, we will be cancelling all Parks and Recreation programs through the end of the month.

If the City can be of any assistance at this time, please feel free to contact City Hall.

Sincerely,

A handwritten signature in black ink that reads 'John Dupray'. The signature is written in a cursive style with a large initial 'J'.
