

Sponsor a Mobile Mural!

The New Baltimore Arts and Culture Commission is proud to announce an exciting new event this summer: **The Mobile Mural Project**. We are inviting local artist to paint 4x8 mini-murals that will be placed in parks and places of interest all around town. These murals will be on display all summer long all around New Baltimore.

Get Involved: Sponsor a Mobile Mural and show your support for the arts in our community. **Each Mural will include an engraved plaque commemorating the Artist and the Sponsor.**

Patrons of the Arts:

Art struggles to exist for public enjoyment without the generosity of patrons. Thank you for sponsoring artistic expression in New Baltimore. For each \$100.00 sponsorship, you will be recognized as a New Baltimore Patron of the Arts on a brass project placard and on our social media pages. Patron dollars ensure future opportunities for artistic expression and enjoyment in the City of New Baltimore. Please make contributions payable to the City of New Baltimore – NBACC in the memo.
