

NOMINATION FORM
New Baltimore Beautification Awards Program 2024

The Citizens Advisory Committee is pleased to announce its annual Beautification Awards Program. This is your opportunity to nominate properties you believe worthy of recognition. This year, the focus will be on front yards and the curb appeal of local, New Baltimore residential properties. The Committee is interested in homes that have attractive landscaping, flower beds or gardens – or properties that feature unique fences, walkways, lighting fixtures or door treatments – in short, examples of local beauty!

NOTE: No self nominations, one nomination per residence, nomination must be for a residential property. Award winners will be publicly featured and earn a beautification sign to display on their property. Please include 1 photo of the nominated residence.
