This parking prohibition on residential streets for motor vehicles shall not apply to Thanksgiving Day and also the Christmas holiday season from 12:01 am December 24 through 12:01 am January 2, unless a snow emergency has been declared as described in section 340-23 (52-35).

Sec. 52-35. DECLARATION OF SNOW EMERGENCY

The mayor, D.P.S. superintendent or chief of police, may declare a snow emergency when, in his/her judgement, the snow or ice has accumulated or is significantly likely to accumulate to such an extent as to impede safe travel upon the streets of the city. A declaration of snow emergency shall be made in writing and filed with the city clerk. The city clerk shall time stamp the declaration of snow emergency. During the regular business hours of the city offices, the snow emergency shall take effect one hour after such time stamping and filing with the city clerk. At all other times, the declaration shall be filed at the beginning of the next business day at the city offices, but the snow emergency shall take effect one hour after its publication to city residents. Upon declaration of a snow emergency, the mayor, D.P.S. superintendent or chief of police shall immediately publicize the snow emergency and the parking prohibition in a manner reasonably calculated to inform the city residents of their responsibilities.
