Rural Development plays a vital role in modernizing, preserving, and protecting rural America's infrastructure and public health. You can help secure its future today by signing the pledge and sharing a testimonial video about why you support USDA Rural Development.

It is important as many people as possible review and sign the pledge to support rural development.

Rural Development (RD) is very important to the water and wastewater industry. RD plays a vital role in modernizing, preserving, and protecting America's infrastructure and public health. You can help secure its future by acting now.

Please ask your employees to go to ruralwaterstrong.org to sign the pledge. Any one can sign and support Rural Development so feel free to post it on your social media.

Video testimonials are appreciated. Instructions on where to send them are on the ruralwaterstrong.org website.

To see how RD helped the Village of Mattawan check out the MRWA Facebook post on May 8. Public Works Superintendent, Tom Anthony explains.

If there is anything I can help with, please email me at membersvcs@mrwa.net.
